Dear Mr. Korn Ratanagosoom,

Warm Greetings from Ho Chi Minh City University of Technology and Education!

As an Associate Member of AUN-QA since 2014, our university is now preparing to assess three study programs in March 2016. In order to keep going on improving our quality of teaching and learning as well as IQA system, we would like to have one more program "Construction Engineering Technology" be assessed in December 2016. As we have already discussed, the tentative time for the assessment would be on 7<sup>th</sup>-9<sup>th</sup> December, 2016.

We hope that you will accept our request and book the date for the assessment.

Respectfully,

Prof. Dr. Do Van Dung  
President
